# REV MECHANICS

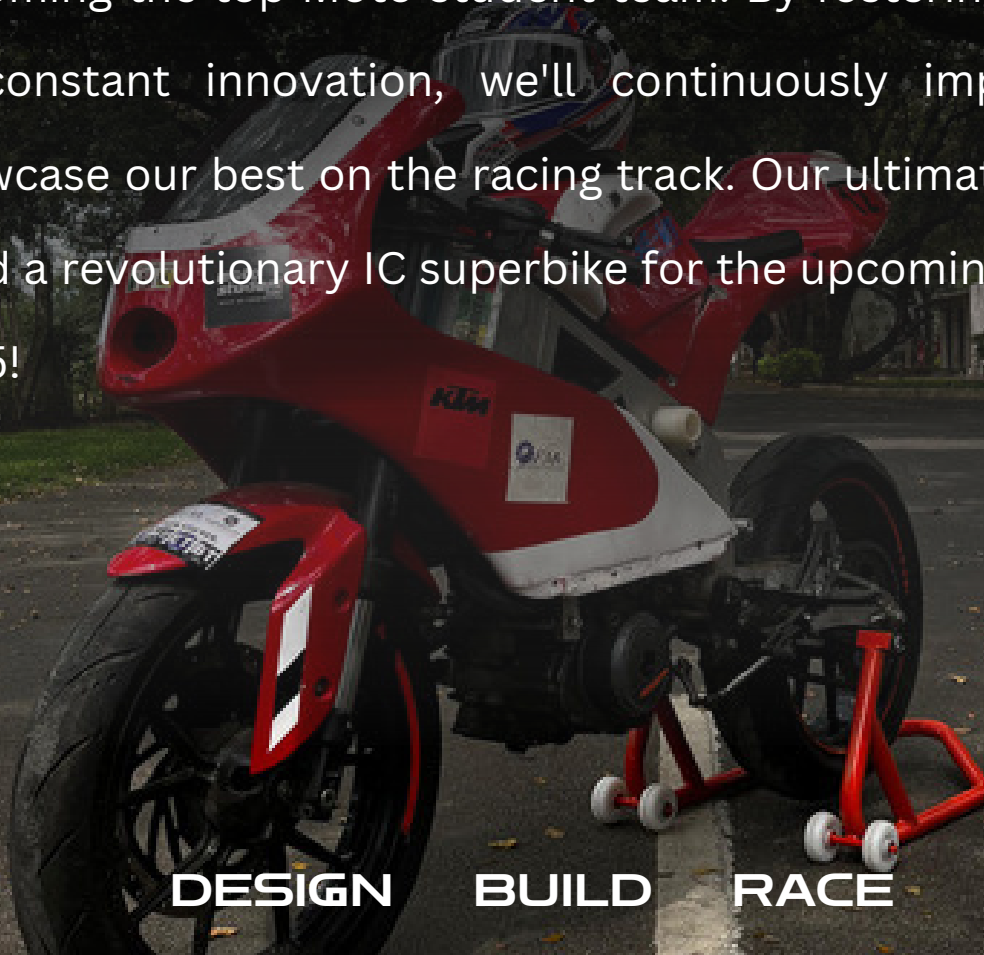

**ONLY MOTO STUDENT TEAM OF VIT**

## OUR VISION

Rev Mechanics strives to enhance the learning experience of the VIT University student community by applying engineering fundamentals to the design and construction of a world-class Moto-GP style racing bike. We at Rev Mechanics believe that true learning extends beyond the classroom

## OUR GOAL

We're committed to maintaining our growth rate and becoming the top Moto student team. By fostering a culture of constant innovation, we'll continuously improve and showcase our best on the racing track. Our ultimate goal? To build a revolutionary IC superbike for the upcoming Moto-GP 2025!
